vile things to say,
Hateful Rupert met
Gloria Day.

Short work for her!
She left him week
later: Begging!

“Men are such
Dick-headed bores!”
opined she to new

bi-buddy, Ingrid Getz.
“Can assure you!”
answered Ig, “With us’ll

just get better and better!”

“Are we then Whores?”

“That’s Phd!--we must strive
to pass Comprehensives.”

Well…got time on his/her side.
